Two debates down (and some time to contemplate the second), a couple candidates out; time take another GOP primary assessment. We removed those polling at 1% or less across multiple polls (but put an 'Other' answer in, just in case.). The larger the response to this survey, the more relevant it becomes to the early Texas primary. Know that forwarding this email to others will not be useful, as the surveys are coded to the membership list and others answering the survey will be discarded.
